

## Prayers by children

Dear God,  
Sometimes I think about you,  
Even when I am not praying.

Dear God,  
It must be very hard for you to love all the people of the world.  
There are only four in our family, and I can never do it.

Dear God,  
Instead of letting people die and having to redo others, why not just keep the ones you have?

My God, who draws the lines around the countries?

My God, do you really think it when you say  
"Do unto others what they would have done to you?"  
Because I am on the eve of punching my brother.

My God, thank you for the baby brother but ...  
I prayed that it would be a little dog ...

My God, it rained wet during our vacation  
and my father was in a bad mood.  
He said something about YOU that nobody is supposed to say  
but I hope you will not punish him.  
Your friend. (but I will not tell you my name).

My God, please send me a pony.  
I've never asked for anything before. You can check.

My God, if you give me an Aladin lamp with a genie,  
I'll give you everything you want, except my money and computer.

My God, when you did the giraffe  
had you planned it like that or it was an accident?

P.S: Please Jesus do not make me grow!!  
Because the teacher said today that your house belonged to the children!
